

Admissions

We are a popular school and several of our year groups are often close to full capacity. We therefore advise families to check availability and apply for a place as early as possible. To register for a place, please follow the link at the bottom of this page.

Reception Admissions

There is one admissions date each year for children starting Reception in September.

For children who are approaching statutory school age, part-time education is offered during the summer term. This begins with one afternoon per week and gradually increases to one or two full days per week before the end of the summer term.

Pre-Statutory School Age Part-Time Offer

At Monkleigh Primary School, where a family accepts a Reception place in our mainstream setting, our expectation is that the child will attend full time from the start of the academic year.

However, if parents of children who are not yet of statutory school age wish their child to attend part time, we strongly recommend that any staggered start is limited to the first two weeks of September. During this period, children may attend each morning for the first two weeks of the academic year.

If parents wish to continue with a part-time arrangement beyond this initial settling-in period, one Friday afternoon per month will be considered until the child reaches statutory school age.

Any other absence from school will not be authorised.
