Our Vision
Monkleigh Primary School: A Place to Smile, Share and Succeed

At Monkleigh Primary School, every child is known, valued and encouraged to achieve their very best. Our vision, developed with our children at its heart, is to create a happy, inclusive and ambitious community where everyone feels safe, supported and inspired to learn.

We Smile

We nurture a caring and honest school family where positive relationships flourish and everyone is supported to achieve the best possible mental, emotional and physical wellbeing. We want every child to feel happy, confident and proud to be part of our school community.

We Share

We build confidence, compassion and curiosity through a rich and varied curriculum, memorable experiences and meaningful partnerships with families and the wider community. We encourage children to work together, celebrate diversity and develop respect for themselves, others and the world around them.

We Succeed

We have high aspirations for every child. Through excellent teaching, strong pastoral support and exciting opportunities for personal growth, we enable children to develop the knowledge, skills and resilience they need to realise their potential and thrive in an ever-changing world.

Inclusion and safeguarding underpin everything we do. We believe that by meeting the needs of our most vulnerable learners, we create an environment where all children can

flourish. Through enriching opportunities such as Forest School, educational visits, leadership roles and wellbeing support, we encourage every child to smile with confidence, share with kindness and succeed with pride.

Together, we are a school where children are happy, inspired and prepared for the road ahead.
