

Monkleigh Primary School - Art and Design Progression Map

	Key Stage 1 (1/2)	Lower Key Stage 2 (3/4)	Upper Key Stage 2 (5/6)
Creating ideas (working from observations, collect ideas in sketch books, record ideas, improve and evaluate, use artistic vocabulary)	<ul style="list-style-type: none"> Work from observation and known objects Use imagination to form simple images from given starting points or a description Begin to collect ideas in sketchbooks Work with different materials Begin to think what materials best suit the task 	<ul style="list-style-type: none"> Develop sketch books Use a variety of ways to record ideas including digital cameras and iPads Develop artistic/visual vocabulary to discuss work Begin to suggest improvements to own work Experiment with a wider range of materials Present work in a variety of ways 	<ul style="list-style-type: none"> Select and develop ideas confidently, using suitable materials confidently Improve quality of sketchbook with mixed media work and annotations Select own images and starting points for work Develop artistic/visual vocabulary when talking about own work and that of others Begin to explore possibilities, using and combining different styles and techniques
Drawing and Painting (pencil, charcoal, inks, pens, chalk, pastels, ICT)	<ul style="list-style-type: none"> Begin to control lines to create simple drawings from observations Use thick felt tip pens/chalks/charcoal/wax crayon/ pastel Hold a large paint brush correctly Make marks using paint with a variety of tools Consider consistency when applying paint Colour within the line Draw on smaller and larger scales Begin to add detail to line drawings 	<ul style="list-style-type: none"> Use sketchbooks to record drawings from observation Experiment with different tones using graded pencils Include increased detail within work Draw on a range of scales Draw using a variety of tools and surfaces (paint, chalk, pastel, pen & ink) Use a variety of brushes and experiment with ways of marking with them Develop shadows Use of tracing 	<ul style="list-style-type: none"> Use first hand observations using different viewpoints, developing more abstract representations Introduce perspective, fore/back and middle ground Investigate proportions Use a range of mediums on a range of backgrounds Work indoors and outdoors Show total qualities using cross hatching, pointillism, sidestrokes, use of rubber to draw/highlight
Working with Colour (painting, ink, dye, textiles, pencils, crayons, pastels)	<ul style="list-style-type: none"> Recognise and name primary and secondary colours Mix primary colours to make secondary colours Share colour charts to compare variations of the same colour Create and experiment with shades of colour and name some of these Recognise warm and cold colours Create washes to form backgrounds Explore the relationship between mood and colour 	<ul style="list-style-type: none"> Mix and match colours (create palettes to match images) Lighten and darken tones using black and white Begin to experiment with colour to create more abstract colour palettes (e.g. blues for leaves) Experiment with watercolour, exploring intensity of colour to develop shades Explore complementary and opposing colours in creating patterns 	<ul style="list-style-type: none"> Build on previous work with colour by exploring intensity Introduce acrylic paint Develop watercolour techniques Explore using limited colour palettes Investigate working on canvas experiment with colour in creating an effect Mark make with paint (dashes, blocks of colour, strokes, points) Develop fine brush strokes
Printing (found materials, fruit/veg, wood blocks, press print, lino, string)	<ul style="list-style-type: none"> Finger print, sponge print, block print to form patterns, experiment with amounts of paint applied and develop control Develop controlled printing against outline /within cut out shapes Use matchbox to print to explore possibilities - different sized matchboxes create different lines/ shapes/patterns Experiment with marbling, investigating how ink floats and changes with movement 	<ul style="list-style-type: none"> Use roller and ink printing Use simple block shapes formed by children Blend two colours when printing Using roller & inks, take prints from other objects (leaves, fabric, corrugated card) to show texture make string print, create low relief prints with string on cardboard and form repeated patterns, tessellations and overlays Form string roller prints to create continuous patterns 	<ul style="list-style-type: none"> Create polystyrene printing blocks to use with roller and ink Explore monoprinting (see below for artists) Explore Intaglio (copper etching) using thick cardboard etched with sharp pencil point Experiment with screen printing Design and create motifs to be turned into printing block images Investigate techniques from paper printing to work on fabrics
Sculpture (3D work, clay, dough, boxes, wire, paper, sculpture, mod-roc)	<ul style="list-style-type: none"> Develop understanding of 2D and 3D in terms of art work - paintings/sculptures Investigate a range of different materials and experiment with how they can be connected together to form simple structures Look at sculptures and try to recreate them using everyday objects/range of materials Begin to form own 3D pieces Consider covering these with papier-mâché Investigate clay - pinching, rolling, twisting, scratching and coiling and add details and textures using tools Look at sculptures by known artists and natural objects as starting points for own work 	<ul style="list-style-type: none"> Develop confidence working with clay adding greater detail and texture Add colour once clay is dried Investigate ways of joining clay - scratch and slip Introduce 'modroc' Create work on a larger scale as a group Use pipe cleaners/wire to create sculptures of human forms 	<ul style="list-style-type: none"> Design and create sculpture, both small and large scale Make masks from a range of cultures and traditions, building a collage element into the sculptural process Use objects around us to form sculptures Use wires to create malleable forms Build upon wire to create forms which can then be padded out (e.g. with newspaper) and covered (e.g. with modroc) Create human forms showing movement
Textiles and Collages (textiles, clay, sand, plaster, stone, materials)	<ul style="list-style-type: none"> Develop collages, based on a simple drawing, using papers and materials Collect natural materials to create a temporary collage (an autumn tree/ the school building using sticks/rocks/leaves etc) Weave using recycled materials - paper, carrier bags Investigate a range of textures through rubbings Simple batik work Develop tearing, cutting and layering paper to create different effects Dye fabrics using tea, red cabbage, beetroot, onion, spinach Weave with wool 	<ul style="list-style-type: none"> Research embroidery designs from around the world, create own designs based on these Sew simple stitches using a variety of threads and wool Investigate tie-dying Create a collage using fabric as a base Make felt Develop individual and group collages, working on a range of scales Use a range of stimulus for collage work, trying to think of more abstract ways of showing views 	<ul style="list-style-type: none"> Introduce fabric block printing Create tie dye pieces combining two colours Investigate ways of changing fabrics - sewing, ironing, cutting, tearing, creasing, knotting etc. Weave using paintings as a stimulus / the natural world Experiment with circular embroidery frames Create detailed designs which can be developed into batik pieces
Knowledge about Artists (art from different cultures, replicate styles)	<ul style="list-style-type: none"> Describe the work of artwork of artists Use work of artists to create own pieces Consider specific works of artists Consider works from different cultures 	<ul style="list-style-type: none"> Use the work of artists to replicate ideas or inspire own work Consider the work of artists Consider works from different cultures 	<ul style="list-style-type: none"> Use the work of artists to replicate ideas or inspire own work Look at the style of similar artists and movements Look at artworks from different cultures and replicate ideas or inspire own work.
