Strategy Statement

Priorities:

Close the gap for specific children in KS2 in math's who have fallen behind during school closure

Additional sessions for EY's children in specific areas

Additional TA support for Year 1 to support with gaps in phonics.

New lit programme

New devices for children to be able to access support programmes

Barriers to learning

School closures

Pupils off school self isolating or ill

Lack of devices to access support programmes

Support from home

Low levels of literacy and numeracy made worse by school closure

Planned support and expenditure for current academic year

Quality of teaching for all						
Action	Intended outcome and success criteria	What's the evidence and rationale for this choice?	How will you make sure it's implemented well?	Staff lead	When will you review this?	Cost
