6 Headteacher update

a. Headteacher report & Associated document

KR briefly explained the headteacher's report (previously shared with Govs), informing FGB that Jo Dymond (advisor) is keen for Monkleigh to show that external third parties are involved (as proven by the associated Ilsham English Hub report)

What has been the impact of staff being absent (with COVID)?

This has been hardest half term to date – gruelling as still having to react to COVID on a daily basis + being in Ofsted window. Impact of COVID has been growing. Clusters in classes and staff members off for 10 days at a time. Grateful to staff who have stepped up to cover. KR unable to be in office – the strain is enormous.

Is it sensible to mix classes indoors?

Discussion ensued.

KR confirmed that everyone is vigilant regarding sanitizing etc.

There has been a film club, which children loved, along with performing arts etc. There needs to be normality.

KR – if too many cases in a class, school would consider implementing bubbling again. Staff are currently stepping up to cover absences, but this cannot be expected ongoing School to keep monitoring.

How are staff? Tired.

KR informed FGB that parents are being very positive. Good to see them face to face.

All staff are to have the week off (or have 5 days where no work – do not open emails etc.) Staff need a proper break.

Can volunteers help? KR recommended that this is not really an option at present.

b. School Development Plan

Previously shared with FGB – finance section to be updated by KR/LDB

KR/LDB ASAP

Question (linked to associated Ilsham English Hub document) was raised about children making their own books – the report talks about a book corner – should be book area, not corner. Some Governors considered that a reading area has always been referred to as a book corner.

Impressed that older children are reading with younger children – brilliant.

7 Finance update

a. FRS reports (previously shared with the FGB)

JG shared a summary report with Governors – highlighting any significant variances between budgeted and actuals

- a. G120 (School Budget) anticipated EOY £74,283.10 carry forward
- b. G121 (B&T Club) anticipated EOY £5,386.13 carry forward
- c. CAPSCH (Capital) anticipated EOY £5,799.83 carry forward
- b. B&T Club

Govs were informed that attendance is improving – siblings are staying for B&T when others are in clubs. Film club held with future planned.

A level 3 member of staff resigned from B&T Club, but there is a member of staff on site who is L3 trained.

c. Catering

Signed as a true record of the meeting: ______ Date: _____ 3 of 7

(Chair of FGB)

- 1. Ensuring clarity of vision, ethos and strategic direction;
- 2. Holding the headteacher to account for the educational performance of the school & its pupils, and the performance management of staff;
- Overseeing the financial performance of the school and making sure its money is well spent.

a. Catering Costs

There is concern regarding food costs. Good quality produce being purchased; however, it is expensive. **Is it worth investigating prices from other suppliers nearby?** – still sourcing local. Portion sizes could be looked at to assist in reducing costs and also waste– don't want to over-face children (especially the younger ones)

Governors were reminded that they are responsible for ensuring that the school meets statutory food standards.

KR & kitchen to look at portion sizes and suppliers to reduce costs.

KR Nov

b. School Dinner Survey

Results of recent surveys (Parental & Pupil) had been shared with FGB in advance of the meeting. Results were discussed with the following observations made:

- Sometimes parents order and children don't like when is ordered.
- Portion sizes needs to be looked at.
- Menu needs to be attractive to parents (i.e. what is offered)
- Use proper words on the menu, not abbreviations (e.g. spuds)

KR to discuss menu with kitchen after half term.

KR Nov

What is school approach to encourage children to eat? Children are encouraged – staff will sit with a child to encourage to eat.

Discussion about catering / staffing ensued from financial point of view.

KR explained that due to current meal arrangements, she considers that the current staffing of 2 x casual could/should be reduced to 1 as the COVID "bubbles" have now ended. Agreed that internal advert for 1 x MTA (contracted) be shared this week. Closing date 09:00 Monday 1st November 2021, interviews Wednesday 3rd November 14:30 onward. Interviews to be carried out by CB & LP

CB/LP 03/11/21

d. Playground

KR informed FGB that the cost of the planned project on the front playground is going to be slightly lower that originally expected, as a couple of tweaks have been made to the plans. Works to take place during Feb half term break.

e. Maintenance

KR informed FGB that quotes have been received from local electrical company:

- a. Emergency lighting currently non-existent (Approx. £1,960)
- b. Interior lighting currently too dim (Approx. £3,000)
- c. Replacement heaters reasonably priced not urgent job

KR made recommendation that the quotes for a & b be accepted and works carried out. Quote for c to be incorporated into next year's budget plan. **Unanimously agreed.**

f. Income

KR advised that some PE money (sports grant premium) will be used on the project being carried out on front playground Governors were informed of future income linked to COVID (School Led Tutoring

Grant and Recovery funding), and advised that these need to be ring fenced and spending reported. KR advised that some of this will be used to cover cost of TA

| | C. | KR confirmed that Individual Education Plans (IEPs) have been updated – currently going out to parents for parents to agree and sign. Currently looking at "Notice & Focus" (looking at lowest 20% in each class). Referrals being made to behaviour support etc. – another autism diagnosis has been received. Team Around Family (TAF) meetings are on calendar. KR explained that there is a big delay on EHCPs as lack of Educational Psychologists at present. Govs have already agreed temporary support (which is in place) for child in FSU – strongly worded letter has been sent to try to secure suitable funding. MC to observe in a visit and support any applications | MC ongoing |
| | d. | Safeguarding KR reported the following: a. 1 MASH referral gone to assessment b. 1 MASH phone call today. c. No Child Protection or Child in Need cases at present d. KR & LDB have started meeting every ½ term to inspect SCR. LP & KR to hold safeguarding meeting. Do Govs feel that there should be a rolling programme? Discussion followed – Govs to renew DBS with term of office as a Governor (i.e. 4 yearly) LP to check SCR on 3 rd Nov | KR/LP not set LP 03/11/21 |
