D Delegated to Lead Governor **R** Make Recommendations to Full Governing Board

The SEND and inclusion Governor will undertake appropriate governor training in order to fully understand their role including, where possible and appropriate, joining relevant staff training to keep updated.	D

Establish if the SENDCO has sufficient time and resources to enable them to carry out the role as described in the SEND Code of Practice? If your school shares a SENDCO across settings do they have sufficient administration support to enable them to fulfil their role effectively? (Note – this should not be the Headteacher of one of the schools. The Code of Practice states it may be appropriate for smaller primary schools to share a SENDCO, but this must be kept under review to ensure there is no negative impact on outcomes or quality of provision.)	R
To support the SENDCO in completing the SEN Funding Evaluation Tool (autumn term) and check that the data matches the information held by the school. Use the SEN Funding Evaluation Tool to ensure that provision is being targeted effectively and consider the implications of the following year's budget for learners with SEND and inclusion needs. Ask how the Graduated Response is used in school to support the 'Assess, Plan, Do, Review' cycle.	D

Note from The Governance Consultancy Team: The level of delegated decision making given to an individual needs to be agreed by the full governing board. Full delegation (within legal requirements) is suggested within these terms of reference, but you may wish to set different levels with the lead governor making more recommendations and fewer decisions. Whatever you decide, make sure there is no duplication between the work of the lead governor and committees or the full governing board. All delegated decisions must be reported to the full governing board.
