

Monkleigh Primary School Newsletter

Friday 16th January 2026

☀️ Primary School Weekly Newsletter ☀️

Dear Families,

What a week it's been! We've had our fair share of rainy weather, but it was wonderful to finish with a bright, sunny day—just in time for the **Butterflies Class trip along the Tarka Trail** today. The children had a fantastic time exploring in the sunshine!

We're also incredibly proud of our **school football team**, who competed in a tournament at GTS this week. They came **second overall** and have now made it through to the **next round!** A huge well done to all our brilliant footballers for their hard work and teamwork.

Finally, a reminder that our **Friends of Monkleigh School (FOMs)** will be meeting next **Friday 23rd at 2:30pm**. Everyone is warmly invited to come along, get involved, and help us plan upcoming events and activities.

Wishing you all a lovely weekend!

The School Team
