

Monkleigh Primary School Newsletter

Friday 30th January 2026

✿ This Week at School – Newsletter ✿

It's been a wet and wild week!

The weather hasn't stopped us — we've still had a fantastic week filled with super learning and lots of exciting activities happening across the school.

Class 1 – Shopping for Ingredients

Some of our Class 1 children headed out on a shopping trip this week to buy ingredients for their delicious dips. They represented the school wonderfully and enjoyed choosing what they needed.

Year 4 – Swimming Success

Year 4 continued with their swimming sessions and are making brilliant progress. We're so proud of how well they're doing and how much confidence they're building in the water.

Mobile Library Visit

All classes enjoyed a visit from the mobile library! The children loved browsing the shelves and choosing a brand-new book to take back to school.

Looking Ahead to Next Week...

Class 2 – Craft Morning

Some of Class 2 will be heading to the village hall for a lovely craft session.

Year 3 – Torrington Library Trip

Year 3 are off to Torrington Library to explore new books and take part in reading activities.

Butterflies – Art Gallery Visit

Our Butterflies group will visit the *Burton Art Gallery* to see our amazing school artwork proudly on display.

If you get the chance, do pop in — it's a wonderful exhibition and the children's work looks fantastic.

Wishing you all a lovely weekend!
