

## Class 2 Newsletter Summer 2019

I can't believe we are in the Summer Term already! We are all looking forward to an exciting term with hopefully lots of good weather. I will continue teaching the class from Monday to Thursday and Mrs Wilson will be teaching on Fridays.

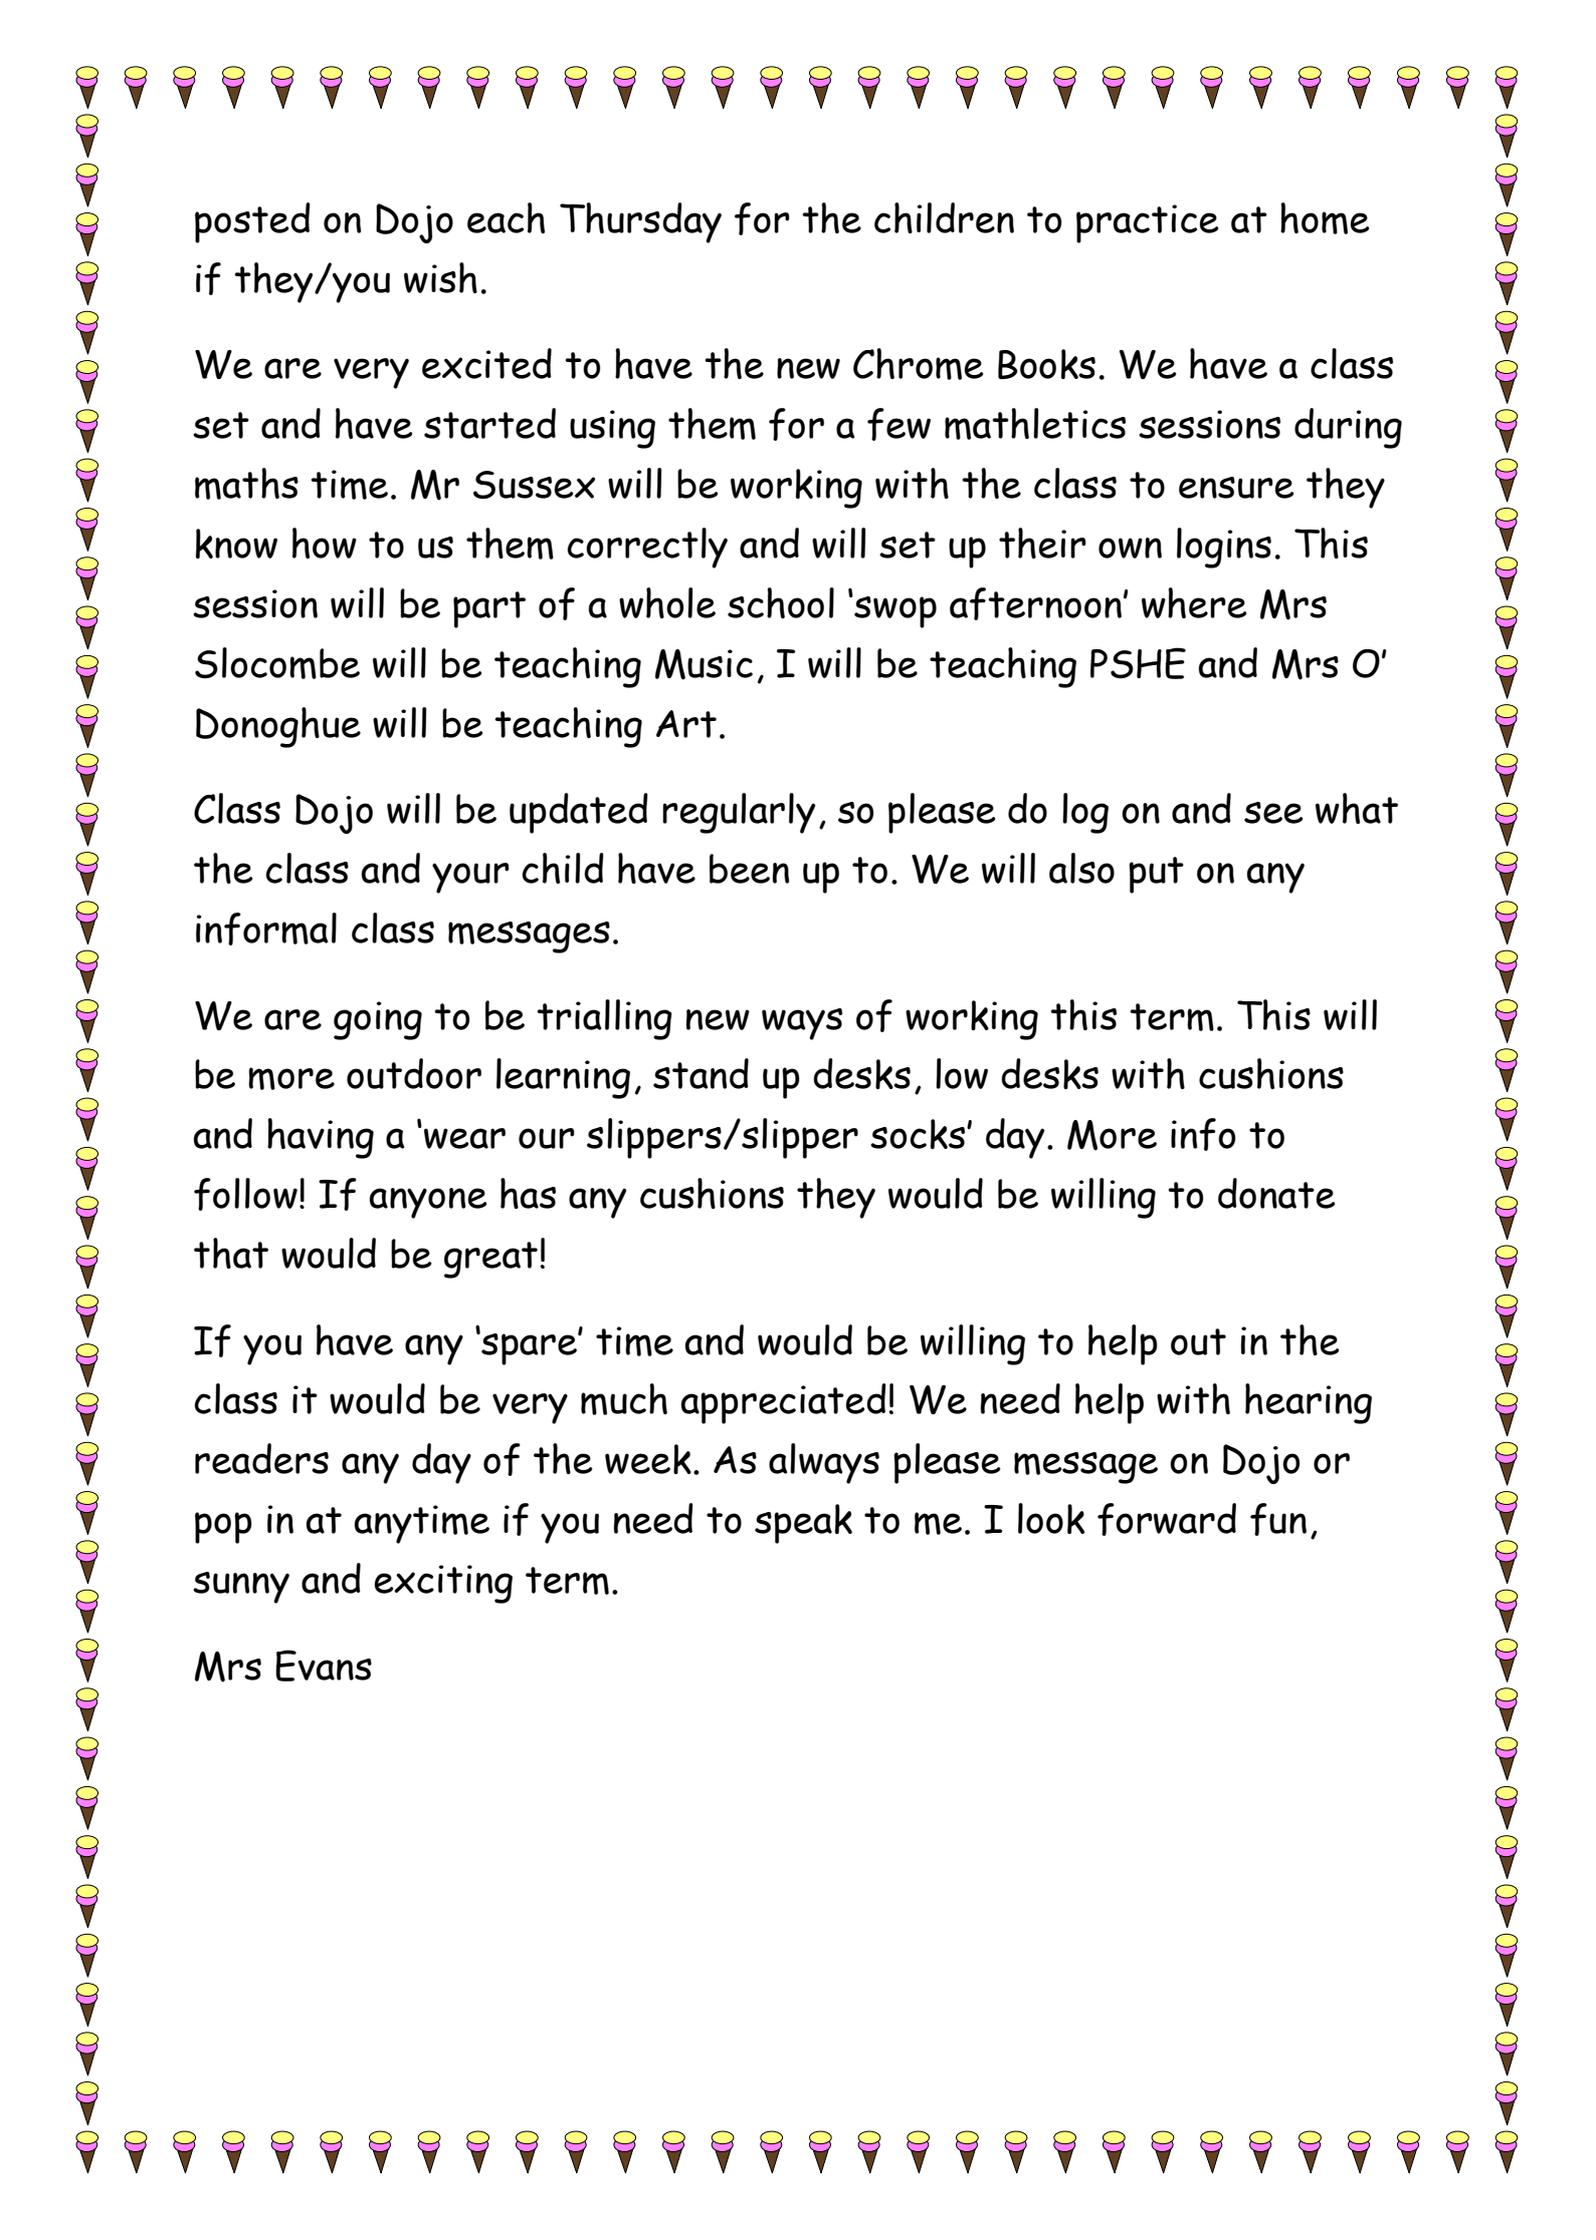

Our topic for the term will be '**Italy**'. Please see the attached topic plan that explains how this topic will be covered across the subjects.

Forest School - This will continue on a Friday morning. The children will need to come into school wearing their forest school kit with their school clothes with them to change in to.

P.E - Mrs Wilson will be taking the class for P.E Monday to Thursday. Full kit change will be on a Wednesday this term.

Homework - Please continue to read with your child as often as you can, but at least **3** times a week. Reading records will continue to be checked on a Monday to ensure this is happening. If your child has read and there are **3** adult comments in the reading record then they receive a sticker on their bookmark. Once one side has been finished the children will receive a treat! Your child will be heard read on a regular basis in a variety of sessions such as one to one, group reading and class reading. Maths homework will also be set on Mathematics when appropriate. I will let you know when I have done this with a message on Dojo.

Spellings will continue to be given out on a Thursday and stuck into their spelling books. The children are then given time during each day to practice these, resulting in the spelling test the following Thursday. The words will follow a spelling pattern, will be topic related or will be high or medium frequency words, and will be

A decorative border of ice cream cones surrounds the text. Each cone has a yellow top, a purple middle, and a brown bottom. They are arranged in a grid-like pattern, with the top and bottom rows being solid, and the side rows having a slight inward curve.

posted on Dojo each Thursday for the children to practice at home if they/you wish.

We are very excited to have the new Chrome Books. We have a class set and have started using them for a few mathematics sessions during maths time. Mr Sussex will be working with the class to ensure they know how to use them correctly and will set up their own logins. This session will be part of a whole school 'swop afternoon' where Mrs Slocombe will be teaching Music, I will be teaching PSHE and Mrs O' Donoghue will be teaching Art.

Class Dojo will be updated regularly, so please do log on and see what the class and your child have been up to. We will also put on any informal class messages.

We are going to be trialling new ways of working this term. This will be more outdoor learning, stand up desks, low desks with cushions and having a 'wear our slippers/slipper socks' day. More info to follow! If anyone has any cushions they would be willing to donate that would be great!

If you have any 'spare' time and would be willing to help out in the class it would be very much appreciated! We need help with hearing readers any day of the week. As always please message on Dojo or pop in at anytime if you need to speak to me. I look forward to a fun, sunny and exciting term.

Mrs Evans
