### A couple of notes from the office:

**Main School Gate** - if a member of staff is entering the access code at the school gate, please **encourage your children to move away from the gate to avoid seeing the code being entered**. More people knowing the code presents a security issue & results in a surprising amount of work needed (& expense incurred) to sort it out. We want the site to be safe and secure at all times.

**Next term's menu** is now live in ParentMail. Don't forget to order within the deadline (the first day back will need to be ordered by 10th April etc) - the same deadlines apply to B&T Club.

Please do not order dinner, then send a packed lunch. This is happening more and more frequently (especially in Class 1). It is wasting us money, and school budgets have, sadly, never been so tight.

**Pre-school fees** - a reminder that fees are payable half termly in advance. Sessions have been entered into the ParentMail registers.

Please help us to keep fees / costs to a minimum by ensuring that you add everything to the basket in ParentMail and carrying out as few transactions as possible.
